

## Product Specification Sheet

### Targus 90W AC/DC Power Adapter for HP/Compaq Part #: APM12HPUSZ

#### Product Description:

The Targus 90W AC/DC Adapter for HP/Compaq Power is designed to power select HP/Compaq notebooks. The white box packaging includes the power adapter and 3 compatible notebook tips. It provides a power and charge source for your notebook at home, in the office, car, airplane, RV or boat. It also features the Targus PPS port, which can be used with the Targus Auto/Dual Digital Device Power Adapter (APP2001US). The APM12HPUSZ can deliver 90W of continuous power and up to 130W of peak power.

#### Product Features and Specifications:

- **Digital devices support:** Includes a PPS port for charging digital devices such as PDA's, MP3 players, mobile phones, and others. The PPS requires the use of the [APP2001US Digital Device Power Adapter](#)
- [Click Here](#) to find the right tip for your device
- **Portable Power:** Carry just one high-power adapter for all your needs at home, in the office, on the road or in the air.
- **High Performance Power:** 90W of continuous power and up to 130W of peak power output
- **Adjustable Voltage** – Automatically adjusts input voltage for worldwide use
